

2025–2026 Streamline Aquatics Registration Process

STEP 1: Schedule and Complete a Tryout

Complete the Tryout Form to schedule your evaluation.

All new swimmers must complete an evaluation prior to registration to ensure proper group placement.

Complete the Tryout Form Here: [Click Here to Schedule Tryout](#)

STEP 2: Complete Online Registration via SportsEngine/TeamUnify

Once you have received your group assignment, complete the registration process through our SportsEngine/TeamUnify platform.

- Registration must be completed by a parent or legal guardian — minors may not register themselves.
- For families with multiple athletes, you only need to complete one registration as long as all swimmers are added to the cart during checkout.

Begin Registration Here: [2025–2026 SASA Registration Steps](#)

STEP 3: Submit Required Documentation

Email a copy or image of your athlete's birth certificate or passport to billing@streamlineaquatics.org.

If the athlete is transferring from another USA Swimming club, please complete the Transfer Form via Google Forms and submit it electronically.

Note: The transfer form is for Streamline Aquatics' internal purposes and does not replace the official club transfer process within USA Swimming.

Transfer Form Link: [Transfer Request Form](#)

STEP 4: Complete USA Swimming Membership Registration

After your Streamline registration is processed, you will receive a personalized link to complete your USA Swimming membership registration.

- Please allow 2–5 business days after submitting your online registration for the link to be sent.
- Transferring swimmers must transfer clubs within their existing USA Swimming account — see instructions here: [How to Transfer My Child to Streamline Aquatics](#)

STEP 5: Pay USA Swimming Membership Fee

Use the personalized link to complete and pay for your USA Swimming membership.

- Note: Transferring swimmers will not need to re-pay for their USA Swimming membership, as they are already registered members.

STEP 6: Confirm USA Swimming ID Number

Email your athlete's name and new USA Swimming ID number to billing@streamlineaquatics.org.

Submitting the new ID confirms your USA Swimming registration and ensures your swimmer is cleared to train with Streamline Aquatics.

Additional Information

[The Team Fees & Dues Schedule, Practice Schedules, Meet Schedule, Swim Gear Requirements, and more are posted on the Home Page of the Streamline Aquatics website under the Program Overview tab.](#)
