

SASA Swim Meet – Parking & Facility Guidelines

To ensure a safe and enjoyable experience for all participants and spectators at the Swim Meet, please review the parking and facility guidelines below. A map is attached for your reference.

Parking Restrictions

- **No Parking in Red Zone:** Vehicles are strictly prohibited in the designated red area.
- **Spectator & Athlete Setup:** This area is reserved for team tailgating, tents, and seating **on the concrete only**.

Facility Rules

- **No Grass Setups:** Please do not place chairs, tents, or equipment on the grass. Anyone doing so will be asked to relocate.
- **Handicap & Accessibility Needs:** If you or someone in your group requires handicap-accessible parking or seating accommodations, we kindly ask for advance notice. This allows us to provide closer parking and priority seating inside the natatorium whenever possible.

Contact for Accommodations

Please email: Admin@streamlineaquatics.org

We look forward to hosting you and appreciate your cooperation in making this event a positive experience for everyone!
